Experience (April 2013 to present)

Peta-Anne is a Principal Consultant at Elsabé Klinck Consulting and her responsibilities include:

- Consulting with clients to determine their need and requirements, and to obtain information required to advise accordingly and to offer the best solution to meet their needs
- Providing Corporate Governance assistance and Company Law training for clients to ensure that their businesses are compliant with what is required by South African law
- Providing Company Secretarial assistance to clients
- Draft share agreements, Memorandums of Incorporation, buy and sell agreements, constitutions, association agreements, lease agreements
- Advising clients on the Health Professions Council of South Africa (HPCSA) ethical rules and compliance with the POPI (Protection of Personal Information Act)
- Drafting reports for clients regarding compliance with the Marketing code
- Logging matters before the Council for Medical Schemes, where funding of treatments, for a member, has been declined by the scheme
- Setting-up and registering numerous new businesses
- Assisting and advising clients on the Medicines Act and amendments thereto including the device regulations
- Representing clients at Medical Schemes, where forensic audits have been undertaken by the Scheme
- Defending clients at the HPCSA where a complaint has been logged
- Providing Enterprise Development (BB BEE) assistance to clients
- Reviewing contracts for clients, either prior to post entering into the agreement, either to ensure all is in order or to determine a manner to exit the contract
- Negotiating contracts on behalf of clients

In addition to working at Elsabé Klinck consulting, Peta-Anne previously had a role as the Legal and Compliance Manager at Novo Nordisk, a Professional Assistant at Wayne van Niekerk Incorporated and a Professional Assistant to Senior Counsel at Lockton International, UK.
